

Vaisala DMP248 series dewpoint transmitters

Output quantities:	Dewpoint temperature (°C/°F), relative humidity (%), temperature (°C/°F), ppm volume concentration (ppm)
Operating voltage:	24V DC/AC, with optional power supply module 115/230 VAC
Two analog outputs: (channels 1 & 2)	0...20 mA / 4...20 mA / 0...1 V / 0...5 V / 0...10 V
Serial connections:	RS232C interface, RS485/422 module, current loop module
Screw terminals:	0.5 mm ² ...1.5mm ² wires (AWG 20...16)
