Shareholders representing more than 10% of all the votes in the company have announced their intention to propose to the Annual General Meeting, that the number of Board members be six. The proposal for the number of the Board members is integrally related to the proposal by the same shareholders for the election of the members of the Board of Directors as presented in section 12 below.

12. Election of members of the Board of Directors

The terms of office of Board members Yrjö Neuvo and Maija Torkko will end at the Annual General Meeting. Shareholders representing more than 10% of all the votes in the company have announced their intention to propose to the Annual General Meeting, that Yrjö Neuvo and Maija Torkko are re-elected.

14. Election of Auditor

The Board of Directors proposes to the Annual General Meeting that PricewaterhouseCoopers Oy be re-elected as the auditor of the Company for the fiscal year 2013. PricewaterhouseCoopers Oy has informed that APA Hannu Pellinen will act as the auditor with the principal responsibility.

The proposed person and the auditor have given their consent to the re-election.

15. Proposal by the Board of Directors to decrease the share premium fund and distribution of funds to the shareholders as a return of capital

The Board of Directors proposes to the Annual General Meeting that it would decide to decrease the share premium fund presented in the Company's balance sheet on December 31, 2012 by EUR 22,306,293.52 by transferring all the funds in the share premium fund into the invested non-restricted equity fund. The Board of Directors further proposes that of the funds transferred into the invested non-restricted equity funds EUR 1.23 per share would be distributed to the shareholders as a return of capital, which, at the date of the invitation, equals to approximately EUR 22.2 million return of capital.

Decreasing the share premium fund must be notified to the Finnish National Board of Patents and Registration for registration. Before decreasing the share premium fund the Finnish National Board of Patents and Registration shall publish a public summons to the creditors of the Company. The Company shall apply for the public summons to be given without delay after the Annual General Meeting. The Board of Directors expects that the due day set in the public summons, after which the decrease can be implemented, will be approximately in July 2013. The Board of Director proposes that it would be authorized to decide on the record date for the distribution of funds and the payment date as soon as possible after the due date for the public summons. The distribution of funds is expected to take place approximately in August 2013. The return of capital is paid to a shareholder, who is registered on record date decided by the Board of Directors in the Register of Shareholders of the Company held by Euroclear Finland Ltd.

The reasoning of the proposal is to return the capital that exceeds the needs of the Company's business to the shareholders, which improves efficiency of the use of Company's capital without risking Company's equity ratio or liquidity.

16. Proposal by the Board of Directors for authorizing the Board of Directors to decide on the directed acquisition of own A-shares

The Board of Directors proposes that the General Meeting authorize the Board of Directors to decide on the directed acquisition of a maximum of 150,000 of the Company's own A-shares in one or more instalments with funds belonging to the Company's unrestricted equity.

The shares shall be acquired in a proportion other than that of the shareholders' current shareholdings in the Company in public trading arranged by NASDAQ OMX Helsinki Ltd at the market price on the moment of acquisition. The shares shall be acquired and paid according to the rules of NASDAQ OMX Helsinki Ltd and Euroclear Finland Ltd. The Board of Directors is authorized to decide on the acquisition of own shares in all other respects.

It is proposed that the authorization is valid until the closing of the next Annual General Meeting, however, no longer than September 26, 2014. The authorization replaces the previous authorization for directed acquisition of own A-shares granted by the Annual General Meeting on March 28, 2012.

17. Proposal by the Board of Directors for authorizing the Board of Directors to decide on the transfer of the Company's own shares

The Board of Directors proposes that the General Meeting authorize the Board of Directors to decide on the transfer of the Company's own shares as follows.

The authorization concerns only A-shares held by the Company. The authorization is limited to a maximum of 309,150 shares, which corresponds to approximately 2.1 per cent of all A-shares in the Company and to approximately 1.7 per cent of all shares in the Company.

The transfer of own shares may be carried out in deviation from the shareholders' pre-emptive rights (directed issue). The authorization entitles the transfer of shares that are held by the Company as a directed issue without payment as part of the Company's share based incentive plan. The Board of Directors can also use this authorization to grant special rights entitling subscription of the Company's own shares that are held by the Company. The subscription price of the shares can instead of cash also be paid in full or in part as contribution in kind.

The Board of Directors decides on all other conditions of the transfer of own shares. It is proposed that the authorization is valid until March 26, 2018. The authorization replaces the previous authorization for transferring own A-shares granted by the Annual General Meeting on March 28, 2012.

18. Proposal by the Board of Directors for authorizing the Board of Directors to decide on donations

The Board of Directors proposes that the Annual General Meeting authorize the Board of Directors to decide on donations of maximum EUR 250,000. The donations may be granted in one or several payments. The Board of Directors decides on the related payments.
