SERVICE SPECIFICATION

Description of the equipment fault:

Mandatory cleaning required, specify method:

MATERIAL SAFETY INFO

Equipment has been used for measurement of:

Process medium name / application: _____

Process medium molecular formula if known: _____

Equipment has been in contact with

- Non-hazardous process
- Chemically hazardous process or biological contamination. If you selected this, please specify safety risks according to GHS regulation:

<input type="checkbox"/>		Irritant <ul style="list-style-type: none">Harmful, irritates eyes, skin or respiratory system, large quantities are fatal. Narcotic effects.
<input type="checkbox"/>		Corrosive <ul style="list-style-type: none">Causes severe skin burns and eye damage. May be corrosive to metals.
<input type="checkbox"/>		Flammable <ul style="list-style-type: none">Catches fire spontaneously if exposed to air. In contact with water releases flammable gases which may ignite spontaneously.

<input type="checkbox"/>		Environmental hazard <ul style="list-style-type: none"> Harmful, toxic or very toxic to aquatic life with long lasting effects.
<input type="checkbox"/>		Chronic health hazard <ul style="list-style-type: none"> Causes allergic reactions; may cause cancer, may cause genetic defects; may damage fertility or the unborn child; causes damage to organs.
<input type="checkbox"/>		Oxidizing <ul style="list-style-type: none"> May cause fire or explosion; strong oxidizer.
<input type="checkbox"/>		Acute toxicity (severe) <ul style="list-style-type: none"> Acute toxicity (oral, dermal, inhalation).
<input type="checkbox"/>		Explosive <ul style="list-style-type: none"> Explodes due to fire, shock, friction of heat; danger due to fire, blast and projectiles.
<input type="checkbox"/>	Biological contamination	Biological contamination <ul style="list-style-type: none"> The device has been in touch with biological contamination

Protection needed when working with the residues of this process liquid:

- Protective gloves, specify material _____
 - Protective clothing
 - Eye protection
 - Face protection, specify _____
 - Other, specify _____

 - Material Safety Data Sheet (MSDS) enclosed
 - MSDS is not available for the specified material
-
