PricewaterhouseCoopers Oy has nominated Niina Vilske, APA, as the auditor with principal authority.

Proposal by the Board of Directors to amend the articles of association

The Board of Directors proposes the articles of association be amended so that the § 6 of Articles of Association would stipulate that the term of Board members would from now on terminate on the closing of the first Annual General Meeting instead of third Annual General Meeting (or shorter if so decided by General Meeting), and the number of board members would be 6–9, and § 13 of Articles of Association would stipulate that a general meeting can be organized without a meeting venue as a so-called remote meeting. The proposal by the Board of Directors to amend the § 6 and § 13 in the articles of association is attached as Annex 1 to the Notice to the Annual General Meeting.

In other respects, it is proposed that the articles of association remain unchanged.

Proposal by the Board of Directors for authorizing the Board of Directors to resolve on the directed repurchase of own series A shares

The Board of Directors proposes that the Annual General Meeting authorize the Board of Directors to resolve on the directed repurchase of a maximum of 800,000 of the company's own series A shares in one or more instalments with funds belonging to the company's unrestricted equity.

Shares shall be repurchased in a proportion other than that of the shareholders' current shareholdings in the company in public trading arranged by Nasdaq Helsinki Ltd at the market price on the moment of repurchase (directed repurchase). The shares shall be repurchased and paid according to the rules of Nasdaq Helsinki Ltd and Euroclear Finland Ltd. Shares so purchased can be used as consideration in possible acquisitions or in other arrangements that are part of the company's business, to finance investments, as part of the company's incentive programs, or be retained, conveyed, or cancelled by the company. The Board of Directors is authorized to resolve on the repurchase of own shares in all other respects.

The Board proposes that this authorization is valid until the closing of the next Annual General Meeting, however, no longer than September 28, 2024. The authorization replaces the previous authorization for directed repurchase of own series A shares granted by the Annual General Meeting on March 29, 2022.

Proposal by the Board of Directors for authorizing the Board of Directors to resolve on the issuance of the company's own shares

The Board of Directors proposes that the Annual General Meeting authorize the Board of Directors to decide on the issuance of the company's own shares as follows:

The authorization concerns only treasury series A shares. The authorization is limited to a maximum of 935,976 shares, which represents approximately 2.69% of series A shares in the company and approximately 2.20% of all shares in the company. The issuance of own shares may be carried out in deviation from the shareholders' pre-emptive rights (directed issue). The authorization entitles the issuance of treasury series A shares as a directed issue without payment as part of the company's share-based incentive plans. The Board of Directors can also use this authorization to grant special rights entitling subscription of the company's own shares that are held by the company. The subscription price of the shares can instead of cash also be paid in full or in part as contribution in kind. The Board of Directors is authorized to decide on all other conditions of the issuance of own shares.

The Board proposes that this authorization is valid until the closing of the next Annual General Meeting, however, no longer than September 28, 2024. The authorization for the company's incentive plans shall however be valid until March 28, 2027. The authorization replaces the previous authorization for issuing own shares granted by the Annual General Meeting on March 29, 2022.
